Resolution 3: Approval to issue new securities to fulfil entitlements upon the potential vesting and exercise of existing Performance Rights and Options issued to the CEO and Managing Director in 2016.

The Company is asking shareholders to approve the issue of new shares to fulfil entitlements upon the potential vesting and exercise of Performance Rights (Rights) and Options (Options) granted in 2016 to the CEO & Managing Director (Managing Director), Mr Jonathan Rubinsztein. The Rights and Options will be tested and may vest, subject to the attainment of performance conditions.

**Background**

The Company issued Rights and Options to the Managing Director under the terms of his employment agreement and the Company’s Executive Incentive Plan upon his commencement with the Company in 2016.

The Rights and Options form Mr Rubinsztein’s current long-term incentive (LTI) remuneration. LTI forms part of the Company’s remuneration framework and is designed to give executives the opportunity to earn variable awards through the achievement of defined company performance conditions which are aligned to long-term value creation for shareholders.

LTI is granted under the Company’s Executive Incentive Plan and vests upon satisfaction of predetermined performance conditions. For further detail about the Company’s remuneration philosophy, please refer to the Company’s 2018 Annual Report at: https://www.infomedia.com.au/investors/annual-and-half-year-reports/.

**Rights and Options previously granted without shareholder approval**

Unless an exception applies, ASX Listing Rule (LR) 10.14 requires shareholder approval be obtained before the

6 As defined in LR 19 and which includes convertible securities in the form of Options and Rights
7 Specifically, the exception described in LR10.15B
Company grants ‘securities’ to (among others) any director of the Company.

When issuing the Options and Rights to the Managing Director in 2016, the Company chose to rely on an exception to LR10.14 and did not seek shareholder approval at that time. The Board chose to rely on the exception to secure a quality candidate at a critical time in Infomedia’s development. At the time of granting the Performance Rights and Options, the 2016 Annual General Meeting was ten months away and the expense of an extraordinary general meeting to approve long term incentives with attached performance hurdles was not warranted. The exception relied on requires that the Company procure shares on-market to satisfy Mr Rubinsztein’s entitlement to shares upon exercise of the Rights and/or Options. The Company has adopted this approach for Mr Rubinsztein’s Rights which have vested in 2017 and 2018.

**Why shareholder approval is now sought**

The Company has identified a strategic framework for growth. Importantly, investment in innovative technology and strategic acquisitions are fundamental aspects of the strategic framework with a focus on sustaining and improving the Company’s growth trajectory. Approval of this resolution will provide the Company with maximum flexibility to manage its cashflow requirements and facilitate the pursuit of strategic opportunities that can be wholly or partly funded by available cash reserves, thus reducing the need to rely on debt and/or equity raisings.

**Specifics about the resolution**

The Company is specifically seeking shareholder approval for the purposes of LR10.14 to issue new fully paid ordinary shares (Shares) to the Managing Director to fulfil entitlements upon the potential vesting of Rights and Options in 2019.

The maximum number of shares that may be issued is 4,456,671 new Shares. This represents the number of shares required to satisfy all Rights and Options

---

8 Note this is to be contrasted with a request to approve the Rights and Options themselves with retrospective effect.
currently on issue to Mr Rubinsztein, not all of which may vest. The number of Rights and Options vesting in 2019 will be determined against predefined performance conditions. The performance conditions and vesting criteria are set out in further detail on page 12 of this Notice of Meeting.

Of the 4,456,671 potential new shares:

- 706,761 Rights have a nil exercise price; and
- 3,750,000 Options have an exercise price of 92.2 cents which is payable to the Company on exercise and will form part of the Company’s paid up capital.

If the resolution is passed, the Company retains a discretion to satisfy vested entitlements in whole or in part using shares acquired on market, or to cash settle entitlements as may be appropriate. If shareholders do not approve this resolution, the Company will settle any vested Rights and Options by purchasing existing securities on market, or by cash settling the entitlements.

It should be noted that the Company has the capacity and flexibility to issue new shares to satisfy entitlements of all other participants in the Company’s LTI program as and when those entitlements vest and are exercised.

**The Rights and Options at a glance**

On page 12 we have provided a high-level overview of the Rights and Options as granted to the Managing Director in 2016 to assist shareholders’ understanding about:

a) the incentives;

b) the relevant performance conditions; and

c) the vesting outcomes based on performance conditions.

This information is also set out in more detail in the Company’s 2018 Remuneration Report. The terms of the Rights and Options were set in 2016 by the Board and included in the Remuneration reports for the past three years.

**Summary of Performance Rights & Options Including Vesting Criteria**
Other information

ASX Listing Rule 10.15A requires the following additional information to be disclosed:

a) The maximum number of new fully paid ordinary shares that may be issued in connection with this resolution is 4,456,671.

b) The underlying Rights and Options were issued for nil consideration to Mr Rubinsztein in 2016. Upon vesting and exercise:
   i. up to 706,671 new Shares will be issued for nil consideration in respect of the Performance Rights; and
   ii. up to 3,750,000 new Shares will be issued with strike price of 92.2 cents per share payable by Mr Rubinsztein to the Company upon exercise.

c) The Rights and Options were issued pursuant to the Company’s Executive Incentive Plan and associated Rights and Option Plan Rules (Rules) as approved by the Board in 2016. Mr Rubinsztein is the only director or director’s associate who has acquired Rights or Options under the terms of the Rules. No prior approvals have been sought by the Company pursuant to Listing Rule 10.14 in respect of the current Rules, and no prior approvals have been sought for Mr Rubinsztein or any other current ‘related party’ of the Company.

d) As at the date of this notice, Mr Rubinsztein is the only director or associate of directors entitled to participate in the Company’s employee incentive scheme.

e) There is no loan in relation to the acquisition of Rights or Options or any resulting securities following their exercise.

f) Details of any securities issued under the employee incentive scheme will be published in each annual report of the entity relating to a period in which securities have been issued, and that approval for the issue of securities was obtained under listing rule 10.14. Any additional directors or their associates (or any other person whose relationship with the entity or
a director, or an associate of a director of the entity is, in the ASX’s opinion, such that approval should be obtained) who become entitled to participate in the employee incentive scheme after this resolution is approved and who were not named in this notice of meeting will not participate until approval is obtained under listing rule 10.14, unless an exception applies.

g) Any securities to be issued upon vesting and exercise of the Options or Rights are expected to be issued by 1 October 2019, and in any case, no later than 1 October 2021.

It should also be noted that if approval is given in relation to this resolution, no approval pursuant to LR7.1 will be required and any Shares issued in connection with the Rights and/or Options will fall within the Exception 14 described in LR7.2. Accordingly, the issue of shares will not detract from the Company’s 15% placement capacity pursuant to LR7.1.

**Voting exclusion statement:**

Resolution 3 is a resolution connected directly with the remuneration of a member of the KMP. The Company will disregard any votes cast in favour of the resolution by or on behalf of Mr Jonathan Rubinsztein (who is the only director eligible to participate in the Executive Incentive Scheme) and any of his associates. However, the Company need not disregard a vote if it is cast:

a) by a person as proxy for a person who is entitled to vote, in accordance with the directions on the proxy form; or

b) by the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.

Further, in accordance with the Corporations Act, a vote cast as a proxy on Resolution 3 by any member of the Company’s KMP or any of their closely related parties will be disregarded. However, the Company will not disregard the vote if it is cast:

a) as a proxy for a person entitled to vote on the resolution and in accordance with a direction on the proxy form; or
b) the Chairman of the meeting as proxy for a person entitled to vote and the Chairman has received express authority to vote undirected proxies as the Chairman deems fit.

**Recommendation:** The Board (excluding Mr Rubinsztein) consider that the proposed ability to issue new shares to satisfy vested Rights and Options to be appropriate and in the interests of the Company by providing maximum flexibility with regard to cashflow management. Preserving cash allows the Company to pursue strategic acquisition opportunities wholly or partly funded by available cash reserves, thus reducing the potential reliance on, or size of any debt and/or equity raisings.

The Board (excluding Mr Rubinsztein) therefore recommends that shareholders **vote FOR** this resolution.

**Undirected proxies held by the Chairman:** The Chairman of the meeting intends to vote undirected proxies in favour of this resolution.
