DIRECTORS' REPORT

Your Directors submit their report for the half-year ended 31 December 2006.

DIRECTORS

The names of the company's directors in office during the half-year and until the date of this report are as below. Directors were in office for this entire period unless otherwise stated.

Richard Graham	Chairman
Gary Martin	Chief Executive Officer
Frances Hernon	Non-executive Director (Chairman of Remuneration & Nomination Committee)
Myer Herszberg	Non-executive Director
Geoffrey Henderson	Non-executive Director (Chairman of Corporate Governance Committee)
Andrew Moffat	Non-executive Director (Chairman of Audit & Risk Committee)

COMPANY SECRETARY

Nick Georges General Counsel & Company Secretary

PRINCIPAL ACTIVITIES

Infomedia Ltd is a company limited by shares that is incorporated and domiciled in Australia.

The principal activities during the period of entities within the consolidated entity were:

- developer and supplier of electronic parts catalogues and service quoting systems for the automotive industry globally;
- · information management, analysis and creation for the domestic automotive and oil industries; and
- the provision of dealer management systems for the automotive industry.

There have been no significant changes in the nature of those activities during the half year with the exception of the sale of the Company's Business Systems division on 1 December 2006 which was the division responsible for the provision of dealer management systems for the automotive industry.

REVIEW AND RESULTS OF OPERATIONS

Electronic Parts Catalogue subscription numbers grew by 10% to 52,403 and Superservice Menus subscription numbers grew by 114% to 2,018 over the previous corresponding period.

Electronic Parts Catalogue subscription growth was driven primarily through the successful worldwide launch into Kia markets. Superservice Menu subscription growth was driven primarily in European markets with particular emphasis on Daihatsu in Germany.

Reported sales revenue increased by 1% to \$27,689,000 over the equivalent prior period. Sales revenue growth was impaired as a result of adverse movements in currency exchange rates. The consolidated results only included five months of the Business Systems division compared to the full six months of the comparative period following the sale of the division.

The Business Systems division (including both Perth and Queensland operations) was sold for gross proceeds of \$1,500,000. It is anticipated that the absence of the Business Systems division in the second half will have little impact on reported profits as this business was operating on a near breakeven basis.

The Company anticipates 2007 financial year sales revenue to be between \$55 million and \$57 million and net profit after tax to be between \$15 million and \$16 million.

DIRECTORS' REPORT

ROUNDING

The amounts contained in this report and in the financial report have been rounded to the nearest \$1,000 (where rounding is applicable) under the option available to the Company under ASIC Class Order 98/0100. The Company is an entity to which the Class Order applies.

AUDITOR INDEPENDENCE DECLARATION

The Directors received an auditor's independence declaration from the auditor of the Company (refer next page).

31 December 2006

1. CORPORATE INFORMATION

The financial report of Infomedia Ltd for the half-year ended 31 December 2006 was authorised for issue in accordance with a resolution of the directors on 28 February 2007. Infomedia Ltd is a company incorporated in Australia and limited by shares, which are publicly traded on the Australian Stock Exchange. The nature of the operations and principal activities of the Company are described in the Directors' Report.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The half-year financial report does not include all notes of the type normally included within the annual financial report and therefore cannot be expected to provide as full an understanding of the financial performance, financial position and financing and investing activities of the consolidated entity as the full financial report.

The half-year financial report should be read in conjunction with the annual Financial Report of Infomedia Ltd as at 30 June 2006.

It is also recommended that the half-year financial report be considered together with any public announcements made by Infomedia Ltd and its controlled entities during the half-year ended 31 December 2006 in accordance with the continuous disclosure obligations arising under the *Corporations Act 2001*.

(a) Basis of preparation

The half-year consolidated financial report is a general-purpose financial report, which has been prepared in accordance with the requirements of the *Corporations Act 2001*, applicable Accounting Standards, including AASB 134 *Interim Financial Reporting* and other mandatory professional reporting requirements. The half-year financial report has been prepared on a historical cost basis, except for derivative financial instruments that have been measured at fair value. The carrying values of recognised assets and liabilities that are hedged items in fair value hedges, and are otherwise carried at cost, are adjusted to record changes in the fair values attributable to the risks that are being hedged.

For the purpose of preparing the half-year financial report, the half-year has been treated as a discrete reporting period.

(b) Significant accounting policies

The half-year consolidated financial statements have been prepared using the same accounting policies as used in the annual financial statements for the year ended 30 June 2006, except for the adoption of amending standards mandatory for annual periods beginning on or after 1 January 2006, as described in Note 2(d).

(c) Basis of consolidation

The consolidated financial statements comprise the financial statements of Infomedia Ltd and its subsidiaries ('the Consolidated Entity'). The financial statements of subsidiaries are prepared for the same reporting period as the parent company, using consistent accounting policies. Adjustments are made to bring into line any dissimilar accounting policies that may exist. All intercompany balances and transactions, including unrealised profits arising from intra-group transactions, have been eliminated in full. Unrealised losses are eliminated unless costs cannot be recovered. Subsidiaries are consolidated from the date on which control is transferred to the Consolidated Entity and cease to be consolidated from the date on which control is transferred out of the Consolidated Entity. Where there is loss of control of a subsidiary, the consolidated financial statements include the results for the part of the reporting period during which Infomedia Ltd has control.

(d) Changes in accounting policies

Certain Australian Accounting Standards and UIG Interpretations have been recently issued or amended but are not yet effective. These standards have not been adopted by the Group for the half-year reporting period ended 31 December 2006. The Director's have yet to finalise their assessment of the impact of these new or amended standards (to the extent relevant to the Group) and interpretations.

9. SEGMENT INFORMATION (CONTINUED)

Segment products and locations

The Company's operating divisions are organised and managed separately according to the nature of the products and the services they provide, with each segment offering different products. Infomedia Ltd's core business involves the production of the Microcat and Partfinder electronic parts catalogues and the Superservice Menus service quoting system. These systems are specialised business tools designed to make the selection and sale of replacement parts & service fast, easy and accurate.

All products are developed and sourced from Australia.

*** - The Business Systems division was sold on 1 December 2006 for \$1,500,000 (refer note 8). As a result the segment result shown on the previous page represents five months of trading only. It is anticipated that the absence of the Business Systems division in the second half will have little impact on reported profits as this business was operating on a near breakeven basis.

10. SUBSEQUENT EVENTS

There has been no matter or circumstance that has arisen since the end of the period that has significantly affected the operations of the Company, the results of those operations, or the state of affairs of the Company.

DIRECTORS' DECLARATION

In accordance with a resolution of the Directors of Infomedia Ltd, I state that:

- (1) In the opinion of the Directors:
 - (a) the financial statements and notes of the Company and of the consolidated entity are in accordance with the Corporations Act 2001, including:
 - (i) giving a true and fair view of the Company's and consolidated entity's financial position as at 31 December 2006 and of their performance for the period ended on that date; and
 - complying with Accounting Standard AASB134 Interim Financial Reporting and the half year Corporations Regulations 2001; and
 - (b) there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

On behalf of the Board

Marhand Arch-

Richard David Graham Chairman

To the members of Infomedia Limited

Report on the Half-Year Condensed Financial Report

We have reviewed the accompanying half-year to 31 December 2006 financial report of Infomedia Limited and the entities it controlled during the half-year to 31 December 2006, which comprises the condensed balance sheet as at 31 December 2006, and the condensed income statement, condensed statement of changes in equity and condensed cash flow statement for the half-year ended on that date, other selected explanatory notes and the directors' declaration.

Directors Responsibility for the half-year to 31 December 2006 Financial Report

The directors of the company are responsible for the preparation and fair presentation of the half-year to 31 December 2006 financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the *Corporations Act 2001*. This responsibility includes designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the half-year to 31 December 2006 financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year to 31 December 2006 financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of an Interim Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2006 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001* and other mandatory financial reporting requirements in Australia. As the auditor of Infomedia Limited and the entities it controlled during the half-year to 31 December 2006, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year to 31 December 2006 financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*. We have given to the directors of the company a written Auditor's Independence Declaration, a copy of which is included in the Directors' Report.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the interim financial report of Infomedia Limited and the entities it controlled during the half-year to 31 December 2006, is not in accordance with:

- (a) the Corporations Act 2001, including:
 - (i) giving a true and fair view of the consolidated entity's financial position as at 31 December 2006 and of its performance for the half-year ended on that date; and
 - (ii) complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001; and
- (b) other mandatory financial reporting requirements in Australia.
