

# GET STARTED!

## SEND ESTIMATES TO YOUR DEALER

Once estimates are loaded into the application, send estimates directly to your participating dealer in seconds, just follow these three steps:

1

Click the  icon on the estimate.

2

Enter the Purchase Order (PO) number, if required. Click **OK**.

3

Click **OK** to confirm.

▶ You'll receive price matching and competitive quotes for genuine parts where available, and fast order processing from your dealer.

## QUICK ESTIMATE SETUP

Browse to your estimating system path to import estimates into Auto PartsBridge. Typical default paths are:

- **Pathways:** C:\pathways\data\extcomm\emsout
- **Audatex:**  
C:\CIECA\EXP1  
C:\CIECA\EXP2
- **Mitchell:**  
C:\CIECA\Export  
C:\Mitchell\CIECA\Export  
C:\Mitchell\Aces\Export
- **Network Drives and Servers:**

If you're using network drives to share information, first locate the network drive.  
e.g. M:\CCC Apps where CCC is related to Pathways.
