

FASTER EASIER ORDERING

BUY NOW!

Microcat Partsbridge offers Buy Now pricing which allows you to instantly order parts from your dealer. When you open an estimate, the parts will be matched to the VIN, and a competitive price will be displayed automatically.

The genuine parts will be automatically discounted, and you will receive a competitive buy now price for the aftermarket and salvage parts. So now you can order from your dealer without delay.

TO SEND AN ORDER TO YOUR DEALER:

- 1 Click **Open** on an order in the **New Estimates** tab.
- 2 View the parts list including the part type, margin and optimized price.
- 3 Check the status for each genuine part – **Order, Quote, Do Not Order**.
- 4 Select **Buy Now** for the aftermarket parts you want to order.
You can select **AM Parts** and **Buy Now** from the **Select Batch Action** drop-down.
- 5 Click **Send to Dealer**.
