GOOD TO KNOW:

- Double-click an estimate to open it.
- Click the C icon to refresh the list of estimates.
- To access settings and install useful add-ons, click the 🍄 icon.

MICROCAT. Partsbridge

- Use the status bar to filter your estimates and quotes based on their status.
- Filter by date range and search estimates by VIN, Customer or Estimate No.
- 3 View the list of estimates and their status at a glance.
- Send the estimate to the dealer or open an estimate to view the details.
- 5 Use the quick action buttons to process your estimates depending on the status they are in.

6 Click the i icon to use additional available actions.

OPEN AND SEND AN ESTIMATE TO THE DEALER

Open an estimate to view the vehicle and part information or add new parts. The parts are validated automatically against the VIN, which ensures more accurate orders.
